We are the original diamond cutters in this country. We cut the prices of diamonds and this is the only diamond cutting the purchasers appreciate. During the panic we bought diamonds for spot cash at our own price, and, combined with our very low rent and moderate expense, that is why we can and are selling at such phenomenally low prices.

PEOPLE ARE ANXIOUS TO SEE LOVELY SIGHTS, FOR THE PRICE OF CAR FARE YOU CAN BEHOLD THE GRANDEST DISPLAY OF DIAMOND. AND WATCHES YOU EVER SAW. IF YOU DO NOT CARE TO PURCHASE, IT WILL REPAY THE TROUBLE OF A VISIT TO HAVE A LOOK AT THE GLORIOUS SIGHT AND FEAST YOUR EYES UPON DIAMONDS TO THE VALUE OF MILLIONS OF DOLLARS.

And those who have visited our SARATOGA BRANCH STORE can bear witness to this fact. For the past twenty-five years we have sold diamonds and watches in the aggregate amount of one hundred millions of do lars. That is sufficient proof that we are selling nothing but the est grades at the lowest prices, otherwise we could not have done such a gigantic business. The name of our firm has been a household word throughout the United States for the last quarter of a concury.
